Navigating your way around Rail Notices

Step	Action
2	<p>You will automatically be directed to the Rail Notices common interface home page.</p> <p>At the top of every page you will have the following menu options:</p> <ul style="list-style-type: none"> Rail Notices – Direct you to the Rail Notices home page Search – Provides an advanced search of all notices, and allows you to save your favourite search My To Do List – Gives you the option to view notices for which you have outstanding activities Management – Allows you to amend details of a secondary email address to which notices may be sent. It will also allow you to amend any distribution lists you have created (NCP users only) Reports – Allows you to view the different reports available to you together with a guide summary. Help Desk – Provides you with help in using the system. My clyx – Allows you to change your details and password. You use your Clyx account to access the Rail Notices website. Logout – Allows you to logout of the system. <p>Your breadcrumb trail will be displayed below the menu and shows you what steps you have taken to get to your current location.</p> <p>The remainder of the home page is split up into five sections:</p> <ul style="list-style-type: none"> • Notice Templates – list the different types of notice request forms to which you have access. • News Articles – Displays any information which may be useful to you. • My To Do List – Displays all notices still within the submission process. This will help you to keep track of all your submissions in one place. • Quick Search – Displays a reduced search functionality but will still search across the whole site. • Latest Notices – Displays a list of all the notices which have recently been submitted by everyone regardless of ownership.
